Spirit Equestrian welcomes the return of esteemed equestrian David Hunt of Great Britain for a two day Dressage Clinic March 14-15, 2012

David is a true horseman with many years of training riders and horses as well as showing internationally. He was shortlisted for the Olympics in the 90's for the UK. David is President of the International Trainer's Club and sits on the Judges Supervisory Panel (JSP), which means that he is one of only three that can sit behind the judges at the Olympics and World Cup and change the judges' scores if a judging mistake is made. David also sits on the board of the FEI.

David is known for instructing riders of all levels and horses of all breeds. He focuses on the basics as well as encourages riders and horses to reach a higher level with confidence.
